EXPERIENCE

NIKE UX DESIGNER, FRONT-END DEVELOPER, July 2016 - present:

- Designed the User Experience and coded the Front-End Development of an internal, business-facing portal website to be used by the Global Sales Team.
- Created a style-guide that incorporated 2-3 existing Nike digital style-guides and included color accessibility.
- Improved on prototype code provided, worked with in-house clients to tailor site experience for 3-4 user personas.
- Teamed with a back-end database developer to build the site as an Angular.js web app that incorporated Nike security.
- Presented changes at the end of each sprint to business stakeholders and participated in planning discussions.
- Created Proof of Concepts of larger portal to include full enterprise team content using React.js and Metric Insights API

SAYMEDIA FRONT-END DEVELOPER, May - June 2015:

- Estimated project timing, working with team members remotely.
- Recreated layered Photoshop layouts as a Tumblr site, working with the Art Director to improve User Experience.
- Researched animation approaches, delivering concepts as a working prototype for approval.
- Created custom interactivity and performant, lightweight Javascript animation working with project Tech Lead.

GREY GLOBAL GROUP CREATIVE TECHNOLOGIST, January 2014 - April 2015, TECH LEAD, October 2012 - December 2013, SENIOR DESIGNER/DEVELOPER, May 2008 - October 2012, PRODUCTION ARTIST, August 1999 - November 2006:

- Developed creative strategy through research and functional prototypes for presentation.
- Guided the User Experience team to create wireframes and user-flows for desktop, mobile websites, and mobile apps.
- Provided Front-End Development expertise for deliverables, working directly with clients to complete projects on schedule.
- Created delivery timelines working with Account teams, Producers, Creatives, IT, and developers.
- Created code-level development and QA processes, including training documents and delivery checklists.
- Conducted code checks and planned digital delivery strategy.
- Designed, storyboarded, and animated rich-media banner ads, web sites, mobile web apps, and blogs.

CLIENTS: Procter & Gamble (Pantene, CoverGirl, Nice 'n Easy), Ally, Canon, Penguin Books, UPMC, Red Lobster, etc.
